On the advice of Drs. Beddoe and Fall, James Rowlands, of Decker court, a former mine worker, was admitted to the West Side hospital. On Saturday he went to the central city to collect the money, and on Sunday morning an unknown man brought him home in a serious condition. He was delirious and kept repeating that he had been robbed.

The neighbors became alarmed and sent for Drs. Beddoe and Hall who received him and sent him to the hospital.

SOUTH SCRANTON NOTES.
Fourteen Friends Will Spend a Day at Lake Ariel—Accident to a Valuable Team—Other Notes.

The Fourteen Friends, the leading social organization on this side of the Roaring Brook, will observe their anniversary in a fitting manner again this year, and to that end have secured the privilege to spend a day at Lake Ariel, August 21. A capital committee has charge of the arrangements and nothing will be neglected to make the affair the social event of the season. The invitations are limited to two hundred. A programme for the day is being discussed among the members, and it is safe to say, those who attend will be merrily entertained.

It is understood that President Lentz has secured the paraphernalia to make a balloon ascension, and he has secured the umbrella of Sary Gamp to make the parachute descent. One of the features which will create much interest is the matrimonial race, for which Messrs. John Schunk, Peter Zang and William Naegel are entered. Alfred Gutheinz was also entered, but recent developments have disqualified him, and at present the contest appears to be between Schunk and Zang. The sheriff's race will also be exciting, and it is stated that the prisoners will be given a holiday on August 21, so that all the deputies, headed by Chief Simpson, can take part in the contest.

Another exciting affair will be the fishing contest between Messrs. Conrad, Ziesmer, Schunk and Daniel Webster, John Demuth and Christ Fickus. Fred Kirchoff will act as umpire, and the conditions are that the one who catches the first fish will buy the treats, and afterwards he will be presented with a check for a year's shaving at Budebach's barber shop. The contest will be a hummer, and those who miss it will miss the treat of their lives.

A Peculiar Accident.
A valuable bay team, belonging to P. A. Cavanaugh, of River street, met with an accident yesterday, which attracted much notice, but fortunately had no serious results. The team is employed by the contractors who are laying out the new depot site for the "Cannon Ball" railroad, on Mattes street, and while hauling dirt into the abandoned reservoir, went over the bank.

The team fell to the bottom, and for a time it was thought they were killed. The declivity is a sheer drop of forty feet, but the soft earth made a bed that saved the animals from serious injury. Assistance was at once given and the team was hauled out of the hole, practically uninjured.

OVERWORKED WOMEN

Should Beware of a Serious Organic Break-down. Take Heed in Time.

The ordinary every-day life of most of our women is a ceaseless treadmill of work.

How much harder the daily tasks become when some derangement of the female organs makes every movement painful and keeps the nervous system all unstrung!

One day she is wretched and utterly miserable; in a day or two she is better and laughs at her fears, thinking there is nothing much the matter after all; but before night the deadly backache reappears, the limbs tremble, the lips twitch—it seems as though all the imps of Satan were clutching her vitals; she goes to pieces and is flat on her back.

No woman ought to arrive at this terrible state of misery, because these symptoms are a sure indication of womb troubles. She must remember that Lydia E. Pinkham's Vegetable Compound is almost an infallible cure for all female ills, such as irregularity of periods, which cause weak stomach, sick headache, etc., displacements and inflammation of the womb, or any of the multitudes of illnesses which beset the female organism.

If there is anything in your case about which you would like special advice, write freely to Mrs. Pinkham. No man will see your letter. She can surely help you, for no person in America has such a wide experience in treating female ills as she has had. Address is Lynn, Mass.; her advice is free and helpful.

Mrs. Richard Dixon wrote to Mrs. Pinkham when she was in great trouble. Her letters are here printed.

"DEAR MRS. PINKHAM:—I have suffered for four years with pain in my back, and a terrible bearing-down feeling in the lower part of my bowels, and at times the abdomen seems to swell and becomes very sore. I have terrible sharp pains in my ovaries and am very nervous, also troubled with leucorrhoea and irregular menstruation. I have started to take Lydia E. Pinkham's Vegetable Compound, but I do not feel much better, so I thought I would write and ask you what to do. Please answer soon, as I am a great sufferer and long to get relief."—MRS. RICHARD DIXON, 11 Farewell St., Newport, R.I. (Jan. 11, 1900.)

"DEAR MRS. PINKHAM:—I want to thank you for your letter of advice. Since taking your Vegetable Compound, Liver Pills, and using your Sanative Wash, as directed by you, my backache and terrible pains in my ovaries have disappeared. I feel that your Vegetable Compound should be used by all weak women."—MRS. RICHARD DIXON, 11 Farewell St., Newport, R.I. (April 11, 1901.)

Will not the volumes of letters from women who have been made strong by Lydia E. Pinkham's Vegetable Compound convince others of the virtues of this great medicine?

When a medicine has been successful in more than a million cases, is it justice to yourself to say, without trying it, "I do not believe it would help me?"

Surely you cannot wish to remain weak and sick and discouraged, exhausted with each day's work. If you have some derangement of the feminine organism try Lydia E. Pinkham's Vegetable Compound. It will surely help you.

\$5000 REWARD.—We have deposited with the National City Bank of Lynn, \$5000, which will be paid to any person who can find the above testimonial letters are not genuine, or were published before obtaining the writer's special permission. Lydia E. Pinkham Medicine Co., Lynn, Mass.

COL. LYNCH COMMITTED.
Accused Says He Went to South Africa as a Correspondent.
By Exclusive Wire from The Associated Press.

London, Aug. 1.—Col. Arthur Lynch, the Nationalist member of parliament who is accused of high treason during the Boer war, was taken to Bow street police court today. Before the court he committed himself for trial. Col. Lynch made a long statement in which he said that he had gone to South Africa under contract with the Paris Journal, and that he had not expected to stay more than two months. He also arranged to serve the Century Magazine, Collier's Weekly and several other American publications. He denied that he saw Dr. Leyds, the Boer agent, before starting, and he declared that he had no mission from Leyds to the Transvaal. At the close of his statement Lynch was committed for trial. Before going to court he was visited in his prison cell by W. H. K. Redmond and other Nationalist leaders.
